WDIY reopens Search for a new Executive Director

(Lehigh Valley, PA) The newly appointed executive director of WDIY 88.1 FM, who was expected to take up the post this week, has now declined the offer of the position, according to Charles James, WDIY Board of Directors president.

Jeffery R. Sekerka has informed Dr. Bill Dautremont-Smith, the station's interim executive director, that he is "declining the position due to a previous commitment that has surfaced."

James said the station accepts this news with regret. WDIY will resume a national search to fill the position, under the direction of Dautremont-Smith, who will continue as the interim executive director. "We had several excellent candidates with strong management skills who were finalists for this position," James said. "The board is confident that we will secure another top quality person to lead WDIY and advance its mission."

Lehigh Valley Community Public Radio is a non-commercial, listener supported radio station heard on WDIY 88.1 FM Allentown/Bethlehem, 93.7 FM Fogelsville/Trexlerstown, 93.9 FM Easton/Phillipsburg, and at www.wdiy.org.
